

Preliminary Agenda

11th Munich Cancer Retreat

at Herrsching am Ammersee

Monday, 21 October 2024

9:00–12:30 Career Options
for DTKK PhDs, School of Oncology Fellows and Young Scientists

Exploring your career options

Dr Anke Soemer
academic-futures.de

The German research and innovation system
Particularities of academia and public sector research

Coffee break

Developing your career as a researcher
Beyond research careers: the world of work 4.0

12:15–13:15 Registration / optional Lunch

Foyer /
Speisesaal

13:15–13:30 Welcome

13:30–14:15 Program Molecular Targeted Therapy
part 1

14:15–15:15 Program Exploitation of Oncogenic Mechanisms

15:15–15:45 **Coffee break**

Foyer

15:45–16:45 Key Note Lecture

„TBA“

Angelika Eggert

Director Department of Pediatrics Charité - Universitätsmedizin Berlin
Spokesperson DKTK Berlin

**16:45–17:30 Programs Molecular Diagnostics, Early Detection, and Bio-
marker Development & Radiation Oncology and Imaging**

17:30–18:20 TBA

18:20–18:30 2nd Wilko Weichert Grant

18:30–19:30

Dinner / BBQ

Speisesaal

19:30–20:30 TBA

20:30–23:30

Get Together of DKTK Scientists

Tuesday, 22 October 2024

TBA	<i>Wilko Weichert Run</i>	
8:30–9:15	Joint Funding talks	
9:15–10:00	Program Molecular Targeted Therapy part 2	
10:00–10:30	Coffee break	Foyer
10:30–11:15	Cancer Core Structures	
11:15–12:15	DKTK Platforms	
12:15–13:15	Lunch	Speisesaal
13:15–14:15	Poster Session	Großer Saal
14:15–15:00	Program Cancer Immunotherapy & Cancer Genome and Proteome Analysis Platform	
15:00–16:00	Key Note Lecture	
	<p>„TBA“</p> <p>Bernd Bodenmiller Quantitative Biomedicine ETH Zürich</p>	
16:00–16:15	TBA	TBA
16:15–16:30	Closing Remarks and Award Presentation	TBA
