SEEON, BAVARIA, GERMANY

Entrance of Kloster Seeon

The monastery has a beautiful courtyard.

IMPRESSIONS OF KLOSTER SEEON

The conference room where the lectures of the Summer School take place.

The lake right at Kloster Seeon invites its guests for a nice swim during their stay.

DURING THE SUMMER SCHOOL 2024

Various lectures of internationally renowned experts were held in the conference room.

Multiple options to work together during the Breakout Sessions.

The presentation of the results of each working group.

DURING THE SUMMER SCHOOL 2024

Some experts gave an insight in their life as a scientist and were open to questions from the participants.

In the evenings there were lots of opportunities such as bowling and the [SciMe!](#) Game to connect and enjoy the free time together.

Some of the participants and lecturers of last years CPGS-Summer School.
