

Impressions of the

CPGS Summer School 2024

at
Kloster Seeon, Bavaria, Germany

Entrance of Kloster Seeon

The monastery has a beautiful courtyard.

Impressions of the CPGS Summer School 2024

The conference room where the lectures of the Summer School took place.

The lake right at Kloster Seeon invited its guests for a nice swim during their stay.

Impressions of the CPGS Summer School 2024

Various lectures of internationally renowned experts were held in the conference room.

There were multiple options to work together during the Breakout Sessions.

The presentation of the working group results is shown in this image.

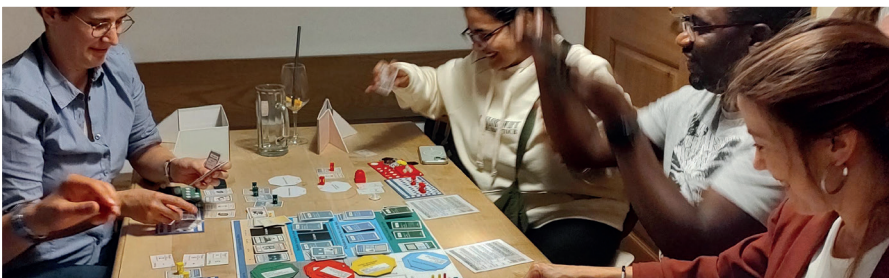

Impressions of the CPGS Summer School 2024

Many faculty members gave an insight in their life as a scientist and were open to questions.

In the evenings there were lots of opportunities such as bowling and board games to connect and enjoy the free time together.

The participants and faculty of the CPGS Summer School 2024 enjoyed their stay and gathered for a farewell photo.
