SUMMARY

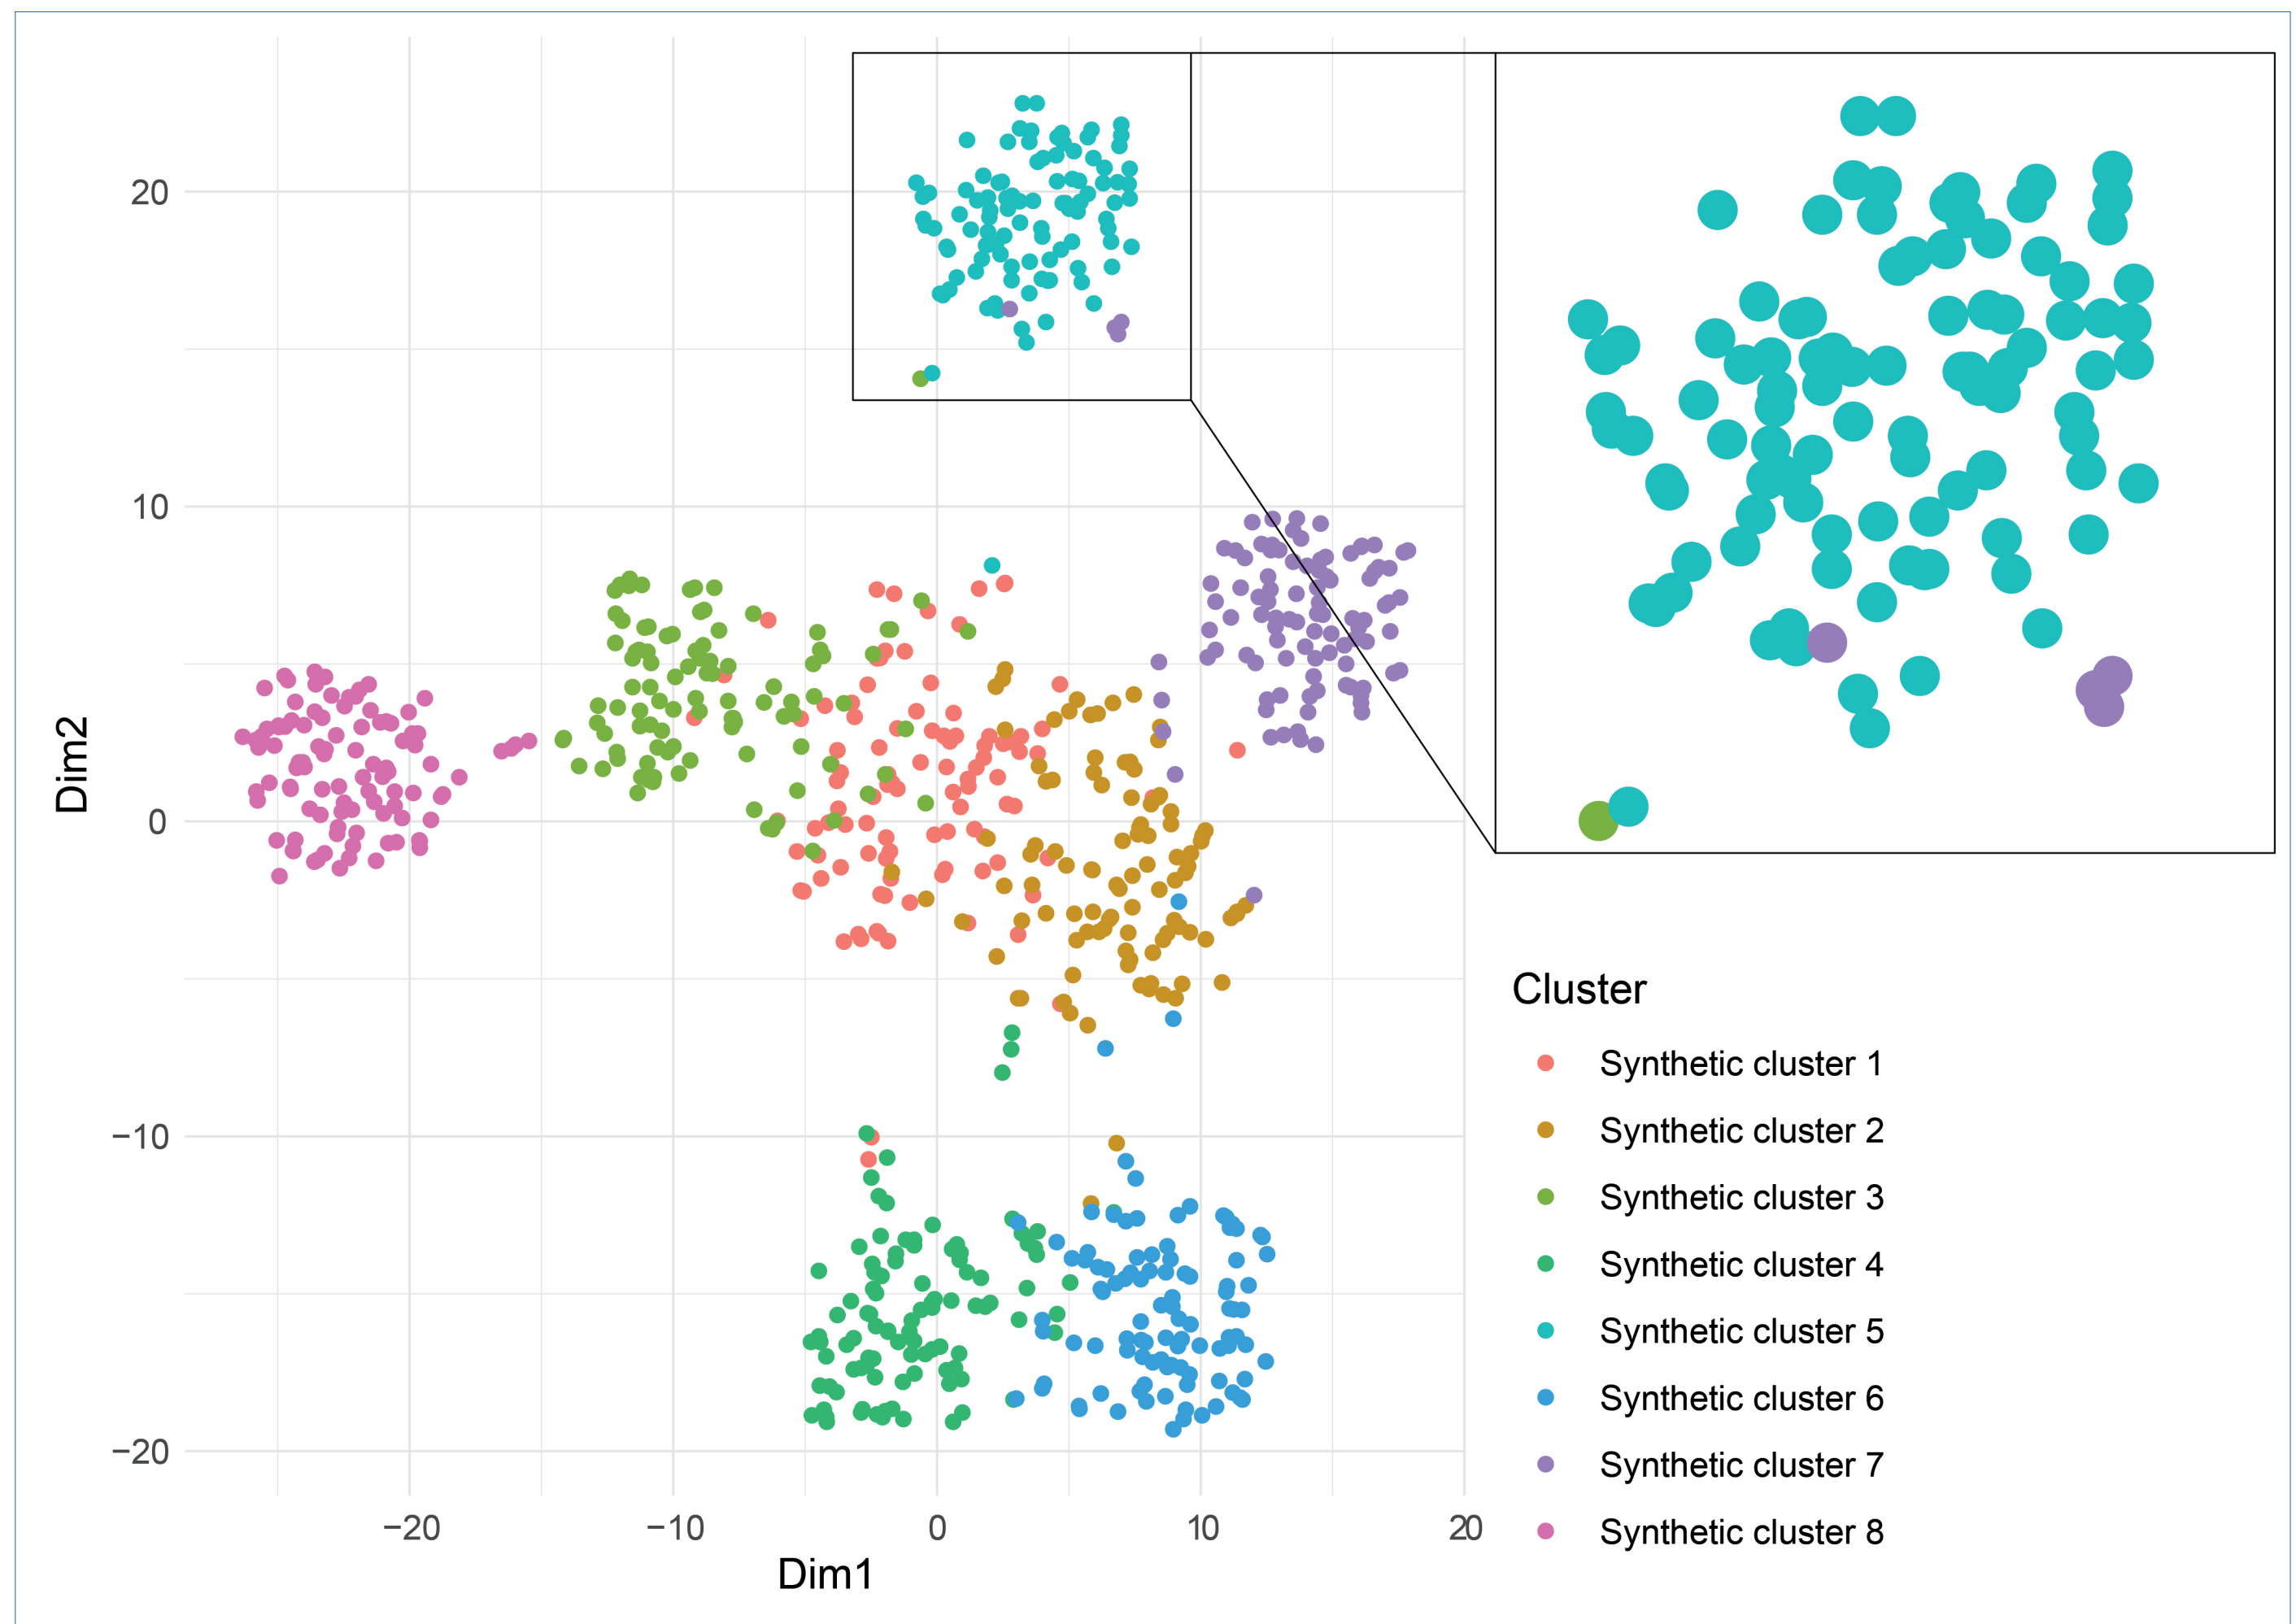

Congratulations on your poster presentation opportunity! Here's a template to help you prepare and create a compelling presentation. Please follow these guidelines to maintain consistency. **Template Adjustment:** Feel free to customize the template as needed. **Main Layout:** Do not alter the design of the header and footer to ensure recognition of DKTK. **Fonts:** Use the Arial family. For formatting and size, refer to the poster layout. **Please note:** the color of the small boxes next to the title () is DKTK site-specific and should not be changed if possible.

RESULTS

This section should present the results of your research, with the number of figures varying depending on the project. Feel free to adjust the number and format of the figures to best illustrate your findings.
