CANCER RESEARCH CENTER
IN THE HELMHOLTZ ASSOCIATION

Research for a Life without Cancer

Bayer Science & Career Day at DKFZ

Friday 6 October, 2023

DKFZ Communication Center, Lecture Hall and Foyer

Connect with a diverse network of DKFZ Alumni who embrace science for a better life, and gain insight into their career paths and experiences. You will learn how valuable your scientific expertise is in industry, as well as get insights into career paths outside of research.

- Careers in research and beyond
- Panel: Working at Bayer
- Meet the Speakers Round Tables
- Computational Life Science: Dedicated Digital Track
- Panel: The Importance of AI and Open Source for the future of Science
- Workshop:
Life Science Collaboration: continuing your innovation path in industry

Bayer Organising Committee,
supported by the DKFZ Career
Service & Alumni Relations
