

POSTER SESSION ETOS2024

TIMELINE

12:15 -14:15 lunch break, with poster pitch

15:30 - 17:00 coffee break

POSTER PITCH (1 + 2 Min) between 12:45 and 13:45 PM

This year the poster presentation is organized as a poster (elevator) pitch (1 minute presentation) and followed by 2 minutes for discussion. Last year was a great success.

A poster pitch consists of following main steps: hook, introduction and set-up/question - introducing yourself and capturing the interest of the audience/reviewer team to spark a dialogue. Remember it's an introduction to catch somebody's interest about your idea, not a summary. Please be at your poster to the referred time in the attached poster pitch schedule that will be published latest mid February.

POSTER REVIEW

Your poster pitch will be reviewed through a reviewer team and through the ETOS participants and evaluated in a lime survey.

The average rating of both will determine the Poster Session Winner of 2024 who will get the opportunity to give the opening talk on ETOS2025.

POSTER PRINTING SERVICE:

You can find a poster template and poster schedule in indico under the menu "Short Agenda and Materials" (bottom right corner of page) <https://indico.dkfz.de/e/ETOS2024>
